Yes and Yes! That's awesome. Thanks so much. Courtney is reviewing the permit and fact sheet today, so I'll have 8 permits and 2 fact sheets ready for a final QA review on Monday. Let's just divvy up, since there should be 8 of them. Then I'll plan on going out for 401 cert on Tuesday.

Hi Jenny,

See the attached – tables are about done! Perhaps we can chat for a second after the ACE meeting about next steps. Maybe it would be helpful if I format the tables into a word document to serve as an appendix?

See you soon!

Your spreadsheet and the Corps spreadsheets (although I don't think you need them after all). USACE Walla Walla District covers McNary and Lower Snake. Portland covers the rest.
